## EXPERIENCE

### Eleven Fifty Consulting, Indianapolis — *Apprentice*

DEC 2015 - PRESENT

Worked on various projects for Eleven Fifty Consulting using C# and the ASP.NET MVC framework.

Worked on SmartPath website which involved creating a Customer-Facing Website, an Admin-Facing Website and a Web API. Worked with technologies such as git, SQL databases, Web services and MVC while working on the SmartPath project.

Worked off-site at Schneider Corp on their Beacon network of websites, writing SQL queries and coding in VB.NET. Have experience creating cross platform mobile apps with Xamarin Forms.

### 3M, Hebron, KY — *Quality Assurance Technician*

MAY 2014 - NOV 2015

Performed various quality tests on plastic pellets and other products produced at plant. Tests include but are not limited to: Melt Flow analysis, moisture content, specific gravity, NIR analysis, color analysis via chromatography, particle sift test and tests involving dissolving products in acetone and methanol. Also worked 12 hour rotating shift.

## EDUCATION

### Denison University, Granville, OH — *Bachelors of Science*

SEP 2009 - MAY 2013

Graduated with a Bachelors of Science in Biology, May 2013

## HONORS

### Eagle Scout — Boy Scouts of America

Eagle Scout project involved building and setting up bat houses in a local park and required extensive manual labor.
